

## Our Service for You: Download of Quality Certificates

Briefly, Greiner Bio-One BioScience will offer you the possibility to download batch-specific product certificates (certificate of quality) directly via our website. You can access the certificates anytime by entering the respective batch number or logging on to the webshop and then entering the delivery note number.

### Saving time and raw materials

The certificates can be downloaded from our website **without waiting periods**.

In the future, the quality certificates will no longer be enclosed in the product cartons. This saves precious raw materials and **protects the environment**.

### Easy download of the quality certificates This is how it works:

- Go to our download portal on [www.gbo.com](http://www.gbo.com)  
→ Know-How & Services  
→ Download Center Quality Certificates
- Enter the batch number or log on to our webshop and then enter the delivery note number
- Download the certificate

If you have questions regarding our new download service, please contact our technical support hotline via [hotline@de.gbo.com](mailto:hotline@de.gbo.com).
