# DS1

225mm (H) x 147mm (W) x 100mm (D); 10 dispensers/carton

Glove Dispenser
Clear Acrylic, Single

DS1 is a clear acrylic dispenser, capable of holding one box of GloveOn gloves. The slots on the back allow DS1 to be easily wall-mounted for ease of dispensing. Further, the one-sided acrylic design allows for easy loading, yet still ensures the box stays snugly inside.

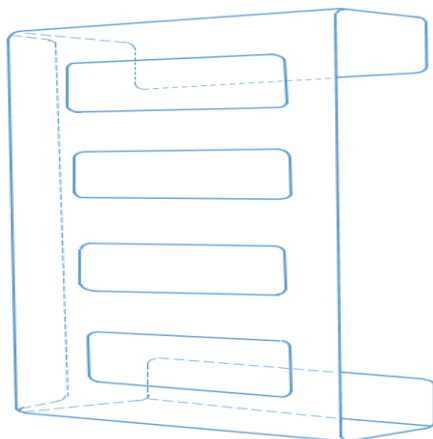

DS30

405mm (H) x 230mm (W) x 100mm (D); 6 dispensers/carton

Glove Dispenser
Clear Acrylic, Triple

DS30 is a clear acrylic dispenser, capable of holding three boxes of GloveOn gloves. The slots on the back allow DS30 to be easily wall-mounted both horizontally and vertically for ease of dispensing.

DS40

533mm (H) x 230mm (W) x 100mm (D); 4 dispensers/carton

Glove Dispenser
Clear Acrylic, Quadruple

DS40 is a clear acrylic dispenser capable of holding four boxes of GloveOn gloves. The slots on the back allow DS40 to be easily wall-mounted both horizontally and vertically for ease of dispensing. Ideal for environments where a large quantity of gloves are required.

Dispensers

25mm (front flap); 50mm (back flap) (H) x 200mm (W) x 150mm (D); 10 dispensers/carton

DSM10

Glove Dispenser
Clear Acrylic, Multi-Purpose

DSM10 is a clear acrylic dispenser, with a multi-purpose nature. The DSM10 can be used to hold any type of product – from gowns to face masks, with ease. It can also be used interchangeably with parts from the DSM20. This capability makes the DSM10 highly versatile and ideal for any workplace and any environment.

25mm (front and side flaps); 50mm (back flap) (H) x 230mm (W) x 150mm (D); 10 dispensers/carton

DSM20

Glove Dispenser, Clear Acrylic, Multi-Purpose with Stopper

DSM20 is a clear acrylic dispenser, designed specifically to hold the GloveOn Aegis gloves. However, like the DSM10, the DSM20 can be used to hold any type of product, thus making it extremely versatile. DSM20 can be used interchangeably with parts from the DSM10. DSM20 also provides a side flap to increase ease of loading, and security of its contents.
