Keep your cast dry while you shower

Worrying about keeping your cast dry while bathing, taking showers with plastic bags or sponge baths is now a thing of the past with Shower Seal. An easy-to-use protection solution for casts or bandages, it allows you to continue your normal showering or bathing routine while keeping your plaster cast, dressing or bandage dry. Made from heavy duty PVC, Shower Seal is latex free and simple to use. Available in adult and child sizes, Shower Seal is a reusable, reliable and quality waterproof protection solution.
