Thermomixer

SAVE NOW with Eppendorf's ThermoMixer® C Promo Bundles!

The ThermoMixer C combines unique mixing performance with excellent temperature control to guarantee complete, dependable and reproducible test results.

The Eppendorf ThermoMixer C is now available in two promotional bundle formats.

- **PROMO BUNDLE #1**

The ThermoMixer® C unit comes with a 24 place 1.5mL SmartBlock.

- **PROMO BUNDLE #2**

The ThermoMixer® C unit comes with a Plate SmartBlock that holds micro and deepwell plates, plus the Thermotop to prevent formation of unwanted condensate.

Description	Code	Pack Size	Promo Price (excl. GST)
ThermoMixer C Bundle with 1.5mL Block (Bundle #1)	EP2232000089	Each	\$5,318.65
ThermoMixer C Plate Bundle with Thermotop (Bundle #2)	EP2232000090	Each	\$5,581.89

Library Prep Kits

20% Off PerkinElmer NEXTFLEX NGS Library Prep Kits

PerkinElmer®
For the Better

PerkinElmer provides a complete portfolio of NGS library prep and multiplexing kits designed to increase the sensitivity, flexibility and speed of library prep for the Illumina® and Ion Torrent™ sequencing platforms. These kits offer increased enzymatic efficiency to achieve robust, high-quality sequencing data and cost effective solutions or next generation sequencing library preparation.

Library Prep Kits available for:

- DNA-Seq
- RNA-Seq
- Small RNA-Seq
- Amplicon Panels
- Target Capture
- Metagenomics
- Epigenetics

For research use only. Not for use in diagnostic procedures.

Pipettes & Carousel

3 Pack Option Promo Bundle, Pipettes Plus Carousel!

Check out our 3 pack options, now available as a bundle that includes Eppendorf's pipette carousel.

Research® Plus Pack 2 Bundle with Carousel	EP2232000092	Each	\$1,199.88
Research® Plus Pack 3 Bundle with Carousel	EP2232000093	Each	\$1,199.88

Buy any 3 Eppendorf Pipettes (Manual or Electronic) and get the 4th Pipette Free!

BACK BY POPULAR DEMAND!

MediRay is bringing back the Buy 3, Get 1 Free promotional deal for all Eppendorf pipettes.

For information on how to claim your free pipette, please head to the "current promotions" section of our website or email info@mediray.co.nz

Terms and Conditions

- Your free pipette must be of equal or lesser value to the cheapest of the three pipettes purchased.
- Promotion valid for Eppendorf Reference 2 and Research Plus 3 packs.
- Promotion not valid for trade-ins.
- Promotion not valid for the Eppendorf Research Plus 3 pack with carousel promotional bundle.
- Claims can be made up until December 31st 2018 or until stocks last - whichever comes first.

Probes

Hanna Probes

Did you know that Hanna probes are often compatible with meters from other brands?

Contact us and our specialist team can help sort you out.

Microcentrifuges

Eppendorf Refrigerated Microcentrifuges

Thinking about getting a new centrifuge? Now's the time to future-proof. Make sure you're covered for future applications that might need cooler sample temperatures.

Choose from four refrigerated models to match your throughput and sample requirements.

MN Classics - Up to 27% Off Macherey Nagel's Most Popular Products

In our final MN deal for 2018, we're offering a range of discounts on MN's classic products. This includes:

- **Plasmid Prep Kits**
- **PCR Clean-up Kits**
- **gDNA Extraction Kits**

If you've never used an MN Kit before, this is a great time to try one of their flagship products out. If you already use MN kits, this is a great chance to stock up!

We've also got a bunch of samples to give away upon request (see below), so if you'd like to test a kit out first, email helen@mediray.co.nz with your sample kit of choice. If your kit of choice isn't included, it's worth enquiring anyway as we have plenty of samples for other products stored away.
